

**400 EX-SOLDIERS
SUICIDES IN N. Y.,
SAYS DR. SALMON**

Tells Senators Most, With Proper Attention, Would Be Alive To-Day.

WASHINGTON, July 7.—Dr. Thomas W. Salmon of New York, who was a Colonel in the Medical Corps of the army during the war, testifying before the Senate committee investigating the condition of wounded, ill and otherwise disabled ex-soldiers, made the statement that in 1920 400 former soldiers committed suicide in New York State.

"Most of those unfortunate men," Dr. Salmon added, "would be alive to-day if they had been given the proper attention."

Veterans in the New York district who are suffering from mental diseases, Dr. Salmon asserted, must either go to insane asylums or be treated at home.

"Diamond Jim" Timilty Dead.

BOSTON, July 7.—"Diamond Jim" Timilty, a political boss of Boston, is dead, and the Roxbury district, where he rose from bricklayer to State Senator, mourned his passing to-day. Death came yesterday at his place in Sharon, where he had gone to make his fight against tuberculosis. He was known alike for his political power, his display of diamonds, which earned him his name, and for his benefactions.
